**Quality Support, Technical Excellence, Substantial Experience, Dedicated Customer Service , and the Continuation of a Successful Business Partnership:
Highlights of the TIPSS-3 Symposium**

The TIPSS-3 (Total Information Processing Support Services) [Symposium](#) was held on January 11, 2006 at the New Carrollton Federal Building auditorium at 5000 Ellin Road, Lanham, Maryland. The purpose of the symposium was to celebrate the award of the third of a succession of TIPSS contracts awarded since the first TIPSS contract in 1995. The TIPSS-3 contracts are multi-agency, customer-service oriented contracts offering features which are sure to appeal to customers of all types. Highlights of the TIPSS-3 Symposium include:

- Guidance from TIPSS Program Experts

Our Requirements Development Team (RDT) understands the TIPSS-3 Program documentation requirements and will help you define and refine your project requirements to assure a successful award.

- Small Business Credit

Bureaus can receive [Small Business](#) Credit for utilizing the services of our six (6) excellent small business partners.

- Access to World-Class Contractors

Out twenty-one (21) [Prime Contractors](#) can address all of your Information Technology support services requirements and can form subcontracting agreements to address requirements that demand unique, highly specialized skills.

- Offering Flexible CPFF, FFP, and T&M task orders

A variety of pricing arrangements including Firm Fixed Price, Cost Plus Fixed Fee and Time and Materials provides the customer with flexibility to meet their contracting needs with the added benefits of performance based contracting,

the Government can now focus on defining the outcome and having the advantage of several solutions. This allows for the best solution for your information technology dollars. In addition, the incorporation of metrics for quality assurance ensures the contractor is held to a higher standard of performance with incentives for a job well done and remedies for less than optimum support.

- **Fee for Service**

TIPSS-3 will provide a broad range of IT related services for the Department of the Treasury and other federal agencies, including the Department of Homeland Security (DHS) and the Department of Justice. A 2% fee is charged for services to agencies other than the Department of the Treasury and its Bureaus.
